CHURCH PRECAUTIONS BEHIND THE SCENES

For your ease of mind, we wanted to remind you of what is happening here at the church. We provide anti-viral

Kleenexes and hand sanitizers throughout the church. We sanitize faucets, sinks, water fountains and toilets. Backs of the pews and arms of pews, hand railings, doorknobs, door handles, and light switches are

cleaned. We sanitize countertops, tables, chairs and soft chairs with arms. We also spray rooms with Lysol as needed. Other cleaning is done as well, but we wanted to assure you these are some of the things we are paying close attention to for the health of our community.
