BEING NEIGHBORLY

Bibles For Believers

TWO issues of 'The Christian Defender' will be available with April/May consisting of stories we have been holding and are important. The other issue will be for June, many new stories from the Open Doors website. Both will be found in the hallway as usual and also in the white mailbox outside the church.

We also encourage members to contribute to our change jar in the hallway as it is now the only means of fundraising we have at this time. As always, we remind all of you to check the Open Doors website at opendoorsusa.org

Community Dinner Report 2019-2020

... building ministry with children, youth and families so that our community may flourish.

Yes, we are striving to build ministry. By providing community dinners on Wednesdays from September through May we have served 2840 meals. We took a four week break mid-March to mid-April, but we continued to serve with 'Take-Out Meals Only' through the end of May meeting the needs of the children, youth and families in our community. For 2840 total meals it cost \$5923.43 with \$4682.39 donations given. The church's cost was \$1295.04. This figures out to be \$2.09 per meal costing the church only \$.46 per meal. Blessings for all. Thanks be to God for this wonderful ministry. We are nurturing body, mind and spirit in our own back yard. May God continue to show us how to serve one another in the name of Jesus Christ.

Full report is on the church bulletin board.

CHURCH PRECAUTIONS BEHIND THE SCENES

We provide anti-viral Kleenexes and hand sanitizers throughout the church. We sanitize faucets, sinks, water

fountains and the pews and hand railings, handles, and cleaned. We countertops, soft chairs with

toilets. Backs of arms of pews, doorknobs, door light switches are sanitize tables, chairs and arms. We also

spray rooms with Lysol as needed. Other cleaning is done as well, but we wanted to assure you these are some of the things we are paying close attention to for the health of our community
