

SANCTITY OF HUMAN LIFE 2025

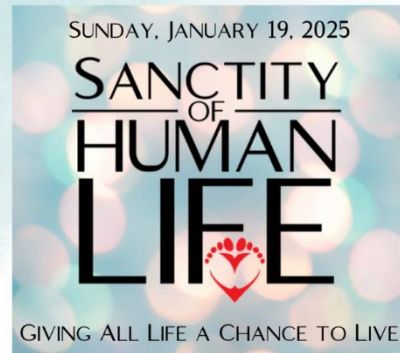

January 19, 2025 is Sanctity of Human Life Sunday. Pastors, churches and life organizations across the country use this day to bring awareness, encouragement, and support to those who protect vulnerable human life. This year's theme is "Life Shines in Darkness."

The PLC Health Clinic and The Langdyn House Maternity Home are right here in your community, working to advocate and stand boldly to protect every preborn child from the harm and destruction of abortion. We welcome financial and material donations to keep our services available, but even more important to us are your prayers. Please pray specifically:

- For all to believe that every child in the womb is made by God through his powerful and sovereign act in creation. (Ps. 139:14)
- For unity in the sanctity of preborn human life and for protection of every unborn child. (Phil 2:1-4)
- For the PLC Health Clinic Staff, Volunteers and Board of Directors to be strengthened and encouraged. (2 Cor. 13:11)
- For each encounter with an abortion-minded / vulnerable patient to be Spirit led and that they would feel the love of Christ through our actions. (1 Ptr 3:4)
- For spiritual protection over our ministry and that no weapon formed against us shall prosper. (Is. 54:17)

If you would like to help us continue our work with a financial gift, please use the QR Code to give online, or you can make a check out to PLC Health Clinic.

We thank you for your ongoing support of this vital ministry!
