Thank You

I would like to thank my church family for all the cards, texts, calls, and mostly the prayers. I was in the nursing home for a month. I couldn't put any weight on my foot so I had to have help to do any moving around. It was very depressing, then I would hear from one of you and I would know that you were praying for me and my spirit would be lifted. There are no words to tell you how thankful I am for my church family. You have been a blessing to me. God Bless You. Thank you so much!!
